

Meet Marshfield Labs Fellowship-Trained Breast Pathologist

Alexandra L. Larson, MD joins the Marshfield Clinic following training in anatomic and clinical pathology and a breast pathology fellowship at Northwestern Memorial Hospital & Feinberg School of Medicine in Chicago, IL and is a diplomate of The American Board of Pathology.

Recruited to complete a team of physicians trained to diagnose and treat breast cancer, she works closely with surgeons, radiologists, and oncologists to provide the best treatment for our patients.

In addition to breast pathology, Dr. Larson signs out general surgical pathology cases as well as fluorescent in-situ hybridization for assessment of HER2 amplification.

Dr. Larson can be reached at 800-222-5835.
